Learn more about moving your Kronos
solution to the Kronos Cloud...

Kronos Cloud Services wants to send YOU to the BIG GAME

Dear Elin,

How can you win an expenses-paid trip to the 2014 Big Game in NYC this February?

Just sit down with your Kronos® representative for a complimentary consultation on how you could benefit from having your Kronos solution hosted in the Kronos Cloud — and you'll be automatically entered for a chance to win two tickets to this year's Big Game in NYC!*

Touch down in the Kronos Cloud

To succeed today, your organization needs to be more agile and flexible than ever — and able to roll easily with changes in strategy. The Kronos Cloud Services team has the product expertise to manage, upgrade, and support your Kronos solution in the cloud, optimizing system reliability and performance while freeing you to focus on more "high-scoring" business initiatives.

So what's the Game Plan?

Enclosed is an info-packed playbook to keep you up to speed as you consider hosting with Kronos Cloud Services — and a pair of high-powered binoculars so you don't miss a single play if you make it to the game! Your rep will be in touch soon to set up your consultation and enter you in our Big Game drawing, so don't forget to give your assistant a heads-up.

Sincerely,

Peter Broderick
